About Heritage Oaks:

Playing Heritage Oaks private 18 hole championship course is truly enjoyable for everyone. This women-friendly course was redesigned in 2006 by internationally known architect, Ron Garl, to give all levels of players a positive experience. Several new tees were added or redesigned and all the greens were rebuilt to provide consistently good putting surfaces. And while playing golf, you get a spectacular look at our wildlife and nature preserves.

Heritage Oaks offers one of the most active championship golf courses in Sarasota, Florida! The golf course was built in 1997, and redesigned in 2006. Our members enjoy the combination of natural beauty and game challenge.

Awards will be presented for 1st, 2nd, 3rd and Last place teams. Raffle prizes and games like Closest-to-the-Pin, Longest-Drive, and Straightest-Drive. Hole-in-One contests includes fabulous golf vacations. Other valuable golf related prizes will be given.
